Recent Consulting Projects

2023. Research project with members of state legislatures active in developing election administration related legislation with the National Conference of State Legislatures (NCSL).

2018-2020. Developing Training Programs for University of Wisconsin Health Funding Program through the Institute for Community Peace.

2019. Glossary Development for the Democracy Fund.

2017-2018. African American Leadership Program Review. For the AALM through the Institute for Community Peace.

2017. Development of a Racial Justice Training Curriculum. For the National YWCA through the Institute for Community Peace.

2016-2017. Curriculum Review for the CERA Courses. For the Election Center.

2016. Study of the Potential for Developing a Training Institute in Milwaukee, WI. For the Center for the Study of Social Policy through KFA & Associates.

Applied Research Experience

Director of Research, Institute for Community Peace, 2003-2012; occasional projects 2012-2019
Direct research projects and provide research support to program functions within the Institute, including grant writing. Co-Principle Investigator of Department of Justice (NIJ) evaluation of a faith-based demonstration for domestic violence. Make presentations on topics including structural violence; structural change; evidence-based practices; sustainability; community collaboration; and evaluation of comprehensive community-based efforts. Facilitate public-private collaborative processes in the areas of public safety, violence prevention, and community health and wellness through training and technical assistance.

Research Assistant, Professor E. Uslaner, 2001-2003, University of Maryland
Assisted in data collection, analysis, and writing on the relationship between trust, inequality, and communal and political participation for a grant funded by the Russell Sage Foundation.

Research Assistant, Professor C. Davenport, 2001, University of Maryland
Assisted in collecting data for a Minorities-At-Risk (MAR) Media database, including training and supervision of student coders; conducted literature searches; reshaped MAR database from wide to long formats for use in time series analysis.

Intern, Delegate Pauline Menes, Maryland House of Delegates, 1999
Performed research and made policy recommendations for Delegate Pauline Menes during the 1999 session. Primary focus of work during the session was on behavioral assessments for at-risk students in the public school system, LGBT civil rights, and the Maryland Women's Caucus.

Research Associate, Vanderbilt University Institute for Public Policy Studies, 1997-1998
Coordinated two multi-site, multi-year research projects. Developed interview protocols and instruments. Conducted interviews, focus groups, and site visits. Conducted literature reviews and data analysis. Wrote interim and final reports. Substantive focus on homelessness, mental health, substance abuse, volunteer caregiving.

Research Intern, NC Equity, Fall 1992
Researched the status of migrant women in North Carolina for a report with policy recommendations submitted to the North Carolina legislature.
